
Making Ferguson a Better Place to Eat!

In 2016, EarthDance Organic Farm School studied Ferguson's food system to understand what was working and not working for its residents. The community food assessment is complete and you can learn about the results and provide solutions for making Ferguson a better place to eat.

Join your neighbors at one of EarthDance's PIE gatherings to become more ***P****repared,* ***I****nformed and* ***E****mpowered to increase access to fresh, affordable and healthy food in Ferguson's homes, schools and restaurants.*
