UNLOCK THE POWER OF LITERACY VOLUNTEER AT THE Y

Increasing literacy rates improves health outcomes, increases school success, reduces crime, and improves the economy and workplace productivity. Providing free reading instruction is an important part of how the YMCA of Greater St. Louis fulfills its mission. Volunteers provide most of the instruction that make our programs so successful. If you are interesting in volunteering for any of the activities described below, call 314-776-7102 or go to
