## **Our Areas of Focus**

Y's offer the programs we do for a reason. Young people need safe and enriching environments to try new things, develop skills, meet new people and show what they're capable of doing. Achieving and maintaining health in spirit, mind and body makes for a rich life. Giving back to neighbors and those in need is our responsibility as neighbors, colleagues and citizens. The Y defines our areas of focus – the programming you're part of every day – like this:

**Youth Development:** Nurturing the potential of every child and teen

We believe that all kids deserve the opportunity to discover who they are and what they can achieve. That's why, through the Y, millions of youth today are cultivating the values, skills and relationships that lead to positive behaviors, better health and educational achievement.

**Healthy Living:** Improving the nation's health and well-being

In communities across the nation, the Y is a leading voice on health and well-being. With a mission centered on balance, the Y brings families closer together, encourages good health and fosters connections through fitness, sports, fun and shared interests. As a result, millions of youth, adults and families are receiving the support, guidance and resources needed to achieve greater health and well-being for their spirit, mind and body.

**Social Responsibility:** Giving back and providing support to our neighbors

The Y has been listening and responding to our communities' most critical social needs for nearly 160 years. Whether developing skills or emotional well-being through education and training, welcoming and connecting diverse demographic populations through global services, or preventing chronic disease and building healthier communities through collaborations with policymakers, the Y fosters the care and respect all people need and deserve. Through the Y, 500,000 volunteers and thousands of donors, leaders and partners across the country are empowering millions of people in the U.S. and around the world to be healthy, confident, connected and secure.

## **PROGRAM/PHILOSOPHY**

### **CHILD CARE PHILOSOPHY**

The Y believes that childcare should provide opportunities and experiences that stimulate a child's physical, social, intellectual and emotional development.

### **OUR GOALS**

- To provide quality care for all children
- To provide a safe, structured, and free choice environment
- To support and strengthen the family unit
- To help children develop to their fullest potential

### **PARENTS GOALS**

- Respect and support the staff team
- Participate in family program opportunities, conferences, Parent Advisory Committees and fundraising
- Volunteer to assist when able for the support and betterment of the program
- Follow all policies and procedures

### **STAFF GOALS**

- Offer programming that reflects the interest of each child
- Provide developmentally appropriate activities that meet the needs of the whole child
- Promote children's self-esteem
- Provide a positive, creative environment that motivates a love for learning
- Dedication to professional growth

### **MISSION STATEMENT**

To put Christian principles into practice through programs that build healthy spirit, mind and body for all.

### **VISION**

The Y commits to the spiritual, mental, and physical growth of all children and teens in the Greater St. Louis area.

### **Y VALUES**

**Caring** – To have the heart to put others before you.

**Honesty** – To act in such a way that you are worthy of trust.

**Respect** – To value the work of every person including yourself.

**Responsibility** – To be accountable for your behavior and obligations.

The Y is an inclusive, family-friendly organization. We expect all our members, program participants and guests to model our values – caring, honesty, respect, responsibility– in their conduct and language. The Y has the right to deny applications for individual or family memberships or participation in programs and to terminate or suspend existing individual or family memberships or participation in all Y programs or activities at our sole discretion if actions or behaviors are not deemed to be in the best interest of the organization. If a membership or program is terminated or suspended, all fees already paid will be forfeited. The Y has sole discretion to reinstate members and participation privileges in Y programs and activities.

## **PROGRAM/ACTIVITIES**

### **IMPORTANCE OF PLAY= LEARNING**

Children at play are actively creating, exploring and establishing relationships, solving problems and developing shared understanding. When children play with each other, they develop their muscles and coordination, gender identity, social power, rebellion against injustice and social rights.

The purpose of play is about learning fairness, following rules, respecting oral contracts and taking action against wrongdoers-things that help children develop a sense of ethical and moral behavior.

One of the most surprising findings from child development research is that children's basic notion of morality appears to stem less from parental discipline or lessons taught in school, and more from social interactions with peers in the natural course of play.

### **LEARNING ENVIRONMENT**

The Y has always been known as a leader in the development of after school programs by consistently meeting the needs of the children and the families in the community. The YMCA of Greater St. Louis Y Club program provides a variety of safe, fun and diverse activities.

Our program is divided into Enrichment Zones with the emphasis on choice. The Y believes that children learn through play and structured recreational activities. In addition, the program will include daily program enhancements. Planned physical fitness activities will be scheduled at least twice a week. Our schedule includes outdoor play each day, weather permitting.

### **ENRICHMENT ZONES – (EZ's)**

**Reading Zone-** Promotes written and/or oral language experiences which encourage experimentation with and improvement of communication skills through reading aloud, listening to books on tapes, storytelling, role playing, puppetry and extension activities related to literature.

**Science/Math Zone** – Provides opportunities for observing, predicting, manipulating, questioning and investigating the environment.

**Game Zone** - Encourages development of critical thinking, problem solving, math, language and social skills.

**Construction Zone-** Affords the children the time and supplies to manipulate, problem solve, create, experiment and develop their critical thinking, eye-hand coordination and big and small muscle movement.

**Art Zone-** Fosters creativity, freedom of expression, ability to follow directions, experimentation with a variety of media and also encourages development of basic fine motor skills.

**Drama Zone-** Provides the opportunity for children to appropriately relate to others through shared experiences through cooperative play, language development, role-playing and pretend play.

**Music Zone** - Contributes to the appreciation and enjoyment of music while developing abilities through interactions with records, tapes, instruments and live performances.

**Fitness Zone** – Focuses on specific movements to help strengthen large and small muscle groups, coordination, following directions, and cooperative participation in group activities.

**Snack Zone** – Helps to replenish energy and learn good nutritional habits while providing additional opportunities for appropriate social interaction, and practicing organizational skills.

**Homework Zone-** -Provides a quiet, organized area where children can accomplish school assignments. Staff members are available to assist as needed.

**All Zones** are presented as open-ended FUN activities, which encourage children to develop their organizational skills, critical thinking, conflict resolution, as well as their intellectual skills.

### **Y STAFF**

- Staff is carefully and thoroughly screened through the Missouri Family Care and Safety Registry on an annual basis. This includes criminal, sex offender and child abuse screenings.
- Staff must pass a physical and have a TB Test upon hire.
- The Department of Health and Senior Services requires that childcare employees complete 12 clock hours of training per calendar year. The Y requires 25-40 hours of training.

- Volunteers may be a part of the program and must maintain and meet the same requirements as Y staff.

- Staff providing direct care for children will be identified by a Y badge and the Y child care approved uniform.
- Staff and volunteers will be alert to the physical and emotional state of all children and any sign of injury or suspected child abuse.
- Y staff are mandated reporters. An employee can make a good faith report to the Child Abuse and Neglect Hot Line (1-800-392-3738) if he or she has a suspicion that child abuse may have occurred. It is the Department of Family Services' (DFS) responsibility to investigate the case.

- In the event of a parent's divorce or separation, we are required to release the child to either parent unless a court order states otherwise.

- A legal restraining order must be on file with the childcare program if an individual is not allowed to pick up the child.
- Custodial parents may visit the site on occasion to see what your child is learning. Your visit will need to be limited to 5-10 minutes as to not disrupt the child's participation in the program and to ensure the safety of all of the children. Exceptions are planned, special events and family functions.

I further understand that failure to promptly reimburse the YMCA will result in suspension or termination of child care services under this YMCA Care Program Enrollment Agreement and could result in the YMCA pursuing a legal action against me for collection, and that I will be responsible for paying all costs, including reasonable attorney fees, incurred by the YMCA for filing of such action
- The YMCA reserves the right to require an official court ordered subpoena for access or release of records. At least a minimum of 10 business days to process the request must be given
- In the case of a legal court order or document the YMCA will follow and enforce the court order stated as written. NO EXCEPTIONS.

## IMPORTANT INFORMATION

### BEHAVIOR/DISCIPLINE

Our program's philosophy is based on respect for the child's self-esteem, setting reasonable limits, and creating an environment that encourages self-discipline, problem solving, and conflict resolution. We see the opportunity to teach values of getting along with others, solving problems in a positive way and learning self-control as the key to a successful program. The staff is dedicated to working together with the children and parents to resolve any concerns that may arise.

Discipline methods:

- Setting an appropriate environment for programming.
- Having a well-planned program.
- Redirecting behavior by giving choices.
- Encouraging group consensus on problem solving.
- Discussing problems to discover causes, and guiding the child or group of children to find ways to resolve it.
- Assigning special tasks and responsibilities that will help to build their self-esteem (for example, special helpers, clean up supervisor, snack helper).
- Reflecting children's successes and accomplishments.

### Behavior Management Policy:

It is the goal of the YMCA of Greater St. Louis to guide children in becoming caring, honest, responsible, and cooperative participants in our program. The YMCA uses only positive behavior management techniques to increase participant's self-esteem by helping them to become responsible for their own actions. It is important for participants to grow to respect themselves as well as the rights and feelings of others.

When a conflict arises concerning the rights of other people and/or property, our goal is to work with each participant individually to solve the problem through effective communication and logical consequences. Other behavior management techniques, which include redirecting behavior, removal from a particular activity, and parent consultation, will be used in situations where conflicts continue.

Depending on the severity and frequency of incidents, such as, fighting, inappropriate language, destruction of property, lack of regard for rules, or the possession of inappropriate toys (i.e. play guns, swords, or other weapons), a participant may be suspended or expelled from the program. The following procedures will (***unless severity or repetition of incident requires other action***) be followed concerning suspension and/or expulsion:

1. The participant will be suspended immediately and parents notified.
2. The Program Director will be notified and review the situation.

3. A parent conference will be scheduled with Center/Program Director, Teacher, Parents or Guardian and any other YMCA designated resource person.
4. At the Parent Conference a written Disciplinary Action Plan will be developed. The participant will not re-enter the Program until Parents and staff have agreed upon the Disciplinary Action Plan.

Any participant who is determined at the sole discretion of the YMCA to have intentionally harmed or attempted to harm another participant, staff member or themselves will be immediately suspended from the program and subject to termination from all YMCA programs after review of the incident by the Program Director and Executive Director or designated YMCA supervisor.

**Participants can be removed from the program based upon inappropriate behavior of parent or guardian.**

A parent/guardian will be notified immediately when a child displays any of the above issues. If the parent/guardian cannot be reached, the emergency party designated by the parent/guardian on the enrollment form will be contacted. The child will be isolated from the other children. **Child must be picked up with-in one hour of call.** The late pickup policy will apply at the end of the one hour grace period. Failure to have your child picked up per guidelines will result in immediate dismissal from the program. **Sign-out is required.**

**CODE OF CONDUCT-ADULT**

- The Y requires adults of enrolled children to behave in a manner consistent with courtesy, respect and Y Values. The Y goal is to provide the most appropriate environment in which a child can grow, learn and develop. Achieving this ideal environment is not only the responsibility of the staff, but the responsibility of each and every adult who enters the program. Adults are required to behave in a manner that fosters this ideal environment. Adults who violate the Code of Conduct may be dismissed from the program.
- Swearing/cursing: No adult is permitted to curse or use other inappropriate language at the childcare program, whether in the presence of children or not. Such language is considered offensive and will not be tolerated.
- Threatening of staff, children, or other adults: Threats of any kind will not be tolerated.
- Other children: Adults are prohibited from addressing, for the purpose of correction or discipline, a child that is not their own. Of course, no adult may physically punish another adult's child. If an adult should witness another adult's child behaving in an inappropriate manner, or is concerned about behavior reported to them by their own child, it is most appropriate for the adult to direct their concern to the staff.
- Confidentially: It is inappropriate for one adult to seek out another adult to discuss their child's inappropriate behavior. All behavior concerns should be brought to the staff's attention. The staff will address the issue with the other adult. Although you may be curious about the outcome of such a discussion, staff is strictly prohibited from discussing anything about another child with you. All children enrolled in Y programs have privacy rights and are further protected by our Confidentiality Policy.

- Violations of safety policy: Adults are required to follow all safety policies at all times. These procedures are designed not as mere inconveniences, but to protect the welfare and best interest of the children and staff.
