Dear Parents/Guardians:

**Welcome to the YMCA Summer Camp Program!** Whether you are returning for another year of camp or signing up for the first time, you and your child will find fun and exciting opportunities offered in this year’s summer day camp program.

The YMCA has been providing camping opportunities for over 100 years and draws upon that experience to run a quality program that provides a safe and supportive environment. We promise to offer a great camping experience in an atmosphere that will help your child develop in spirit, mind, and body.

Many exciting activities and adventures await your children this summer. We’re confident that both you and your children will be very pleased with a YMCA day camp experience. The goal for each day of summer camp is to allow young campers to discover hidden talent, gain self-esteem and acquire new skills in a safe and fun environment.

Camp registration has officially kicked off, so make sure to sign up early because weeks could fill up quickly. We offer full-day camps, half-day camps, and extended care before and after camp. Depending on the location you choose, campers will enjoy the following activities: swimming, nature, arts & crafts, sports, singing, games, and field trips. All of our camps feature character-building activities which promote our four core values of Caring, Honesty, Respect, and Responsibility.

Day camps operate from 9:00am to 4:00pm and extended care hours are available from 7:00am to 9:00am and from 4:00pm to 6:00pm.

On behalf of the YMCA staff, thank you for choosing the Gateway Region YMCA. We look forward to a great summer with your kids!

Sincerely,

P.J. Brennan
Youth and Family Director
Our Areas of Focus

Y’s offer the programs we do for a reason. Young people need safe and enriching environments to try new things, develop skills, meet new people and show what they’re capable of doing. Achieving and maintaining health in spirit, mind and body makes for a rich life. Giving back to neighbors and those in need is our responsibility as neighbors, colleagues and citizens. The Y defines our areas of focus – the programming you’re part of everyday – like this:

**Youth Development:** Nurturing the potential of every child and teen

We believe that all kids deserve the opportunity to discover who they are and what they can achieve. That’s why, through the Y, millions of youth today are cultivating the values, skills and relationships that lead to positive behaviors, better health and educational achievement.

**Healthy Living:** Improving the nation’s health and well-being

In communities across the nation, the Y is a leading voice on health and well-being. With a mission centered on balance, the Y brings families closer together, encourages good health and fosters connections through fitness, sports, fun and shared interests. As a result, millions of youth, adults and families are receiving the support, guidance and resources needed to achieve greater health and well-being for their spirit, mind and body.

**Social Responsibility:** Giving back and providing support to our neighbors

The Y has been listening and responding to our communities’ most critical social needs for nearly 160 years. Whether developing skills or emotional well-being through education and training, welcoming and connecting diverse demographic populations through global services, or preventing chronic disease and building healthier communities through collaborations with policymakers, the Y fosters the care and respect all people need and deserve. Through the Y, 500,000 volunteers and thousands of donors, leaders and partners across the country are empowering millions of people in the U.S. and around the world to be healthy, confident, connected and secure.

HEALTHY EATING AND PHYSICAL ACTIVITY (HEPA) STANDARDS

In response to a call by First Lady Michelle Obama and the Partnership for a Healthier America, the Y has expanded its longtime commitment to supporting healthy living by adopting a set of Healthy Eating and Physical Activity (HEPA) standards. Based, in part, on years of research with key partners, the HEPA standards will build a healthier future for our nation’s children by creating environments rich in opportunities for healthy eating and physical activity.

Healthy Eating and Physical Activity Standards

PHYSICAL ACTIVITY: We provide opportunities for moderate and vigorous physical activity as well as bone and muscle strengthening activities for at least 30 minutes per day (60 minutes during full-day programs).

FOOD: Snacks will be free of trans-fats. All snacks made from grains will be whole grains. Snacks will be free of sugar and syrups (high-fructose corn syrup, honey, etc.) to the extent possible but will never have more than 8 grams of added sugar per serving. We will not provide any fried foods and encourage parents to not send foods that are fried or pre-fried (chicken tenders, tater tots, potato chips, etc.)

BEVERAGES: Water is accessible and available to children at all times, including at the table during snack. The only beverages served at snack will be water, unflavored low or nonfat milk, or 100% fruit juice. Sugar-sweetened beverages, including soda and fruit juices with added sugars, will never be served.
SCREEN TIME: No movies or television will be shown. We do not use computers within the program. No laptop computers, tablets, hand-held video games or smartphones are allowed.

PARENT ENGAGEMENT: We engage parents/care givers using informational materials and/or activities focused on healthy eating and physical activity a minimum of once a month.

YMCA VALUES
Caring-Red – The heart to put others before yourself
Honesty- Blue – To act in such a way that you are worthy of trust
Respect-Yellow – The golden rule to value the work of every person including yourself
Responsibility-Green – To be accountable for your behavior and obligations

The Y is an inclusive, family-friendly organization. We expect all our members, program participants and guests to model our values, caring, honesty, respect and responsibility in their conduct and language. The Y has the right to deny applications for individual or family memberships or participation in programs and to terminate or suspend existing individual or family memberships or participation in all Y programs or activities at our sole discretion if actions or behaviors are not deemed to be in the best interest of the organization. If a membership or program is terminated or suspended, all fees already paid will be forfeited. The Y has sole discretion to reinstate members and participation privileges in Y programs and activities.

PROGRAM/ACTIVITIES

FIELD TRIP
A field trip is on the itinerary for every week. In addition, a notice will be placed on the camp “sign board” at the entrance of the camp. We will be traveling by bus to various places in the Gateway Region area. On field trip days campers must wear their Y camp shirts. Please note-field trips are subject to change and appropriate notification will occur.

LATE PICK-UP
The regular Day Camp program ends at 4:00pm, and extended care ends at 6:00pm. After these times a YMCA staff person will attempt to contact a parent or emergency contact person to pick up the child, and a late fee of $15 will be charged from 4:05-4:15pm (if not attending after-care) or 6:05-6:15pm for the time that a YMCA staff person supervises your child. After 4:15-6:15pm, a late fee of $1 per minute will be charged. **If no one can be contacted by 6:30pm, the local police may be contacted. DFS may also be notified about the situation.**

Late fees must be paid within one day of the late pick-up in order for the child to be re-admitted to camp. Fees must be paid by credit card, check, money order, or cashier’s check made payable to the Carondelet Park Rec Complex-YMCA.

If police intervention is required, the child could be dismissed from the camp immediately without a refund being issued. Repeated late pick-ups can result in the child being dismissed from the association’s Day Camp program. If the child is dismissed from camp a refund will not be issued.

PERSON’S AUTHORIZED TO PICK-UP
- The person signing your child out of the program must be 16 years of age and show a valid ID.

LEGAL ISSUES

CUSTODY/PARENTING PLANS:
- Legal document (copies: court order, divorce decree, parenting plan etc.) must be on file and current at the program regarding divorce/custody arrangements.
- In the event of a parent’s divorce or separation, we are required to release the child to either parent unless a court order states otherwise.
- Divorced parents should submit a copy of the court order, divorce decree or other legal documentation to prevent an unauthorized pick up by the non-custodial parent. Documentation must be kept in the child’s file.
- Any deviation of the child custody agreement will require written formal agreement with notarized signed approval by both parties acknowledging “In Direct Contradiction to the stated court order” prior to allowing pick up.
- In the absence of a court order on file with the childcare program, both parents will be afforded equal access to their child as stipulated by law. The Y program cannot, without a court order, limit the access of one parent by request of the other parent, regardless of the reason. If a situation presents itself where one parent does not want the other parent to have access to their child, the Y suggests that the parent keep the child with them until a court order is issued.
- A legal restraining order must be on file with the childcare program if an individual is not allowed to pick up the child.
- Custodial parents may visit the site on occasion to see what your child is learning. Your visit will need to be limited to 5-10 minutes as to not disrupt the child’s participation in the program and to ensure the safety of all of the children. Exceptions are planned, special events and family functions.

action ageist me for collection, and that I will be responsible for paying all costs, including reasonable attorney fees, incurred by the YMCA for filing of such action

- The YMCA reserves the right to require an official court ordered subpoena for access or release of records. At least a minimum of 10 business days to process the request must be given

BEHAVIOR/DISCIPLINE
Our program’s philosophy is based on respect for the child’s self-esteem, setting reasonable limits, and creating an environment that encourages self-discipline, problem solving, and conflict resolution. We see the opportunity to teach values of getting along with others, solving problems in a positive way and learning self-control as the key to a successful program. The staff is dedicated to working together with the children and parents to resolve any concerns that may arise.

Discipline methods:
- Setting an appropriate environment for programming.
- Having a well-planned program.
- Redirecting behavior by giving choices.
- Encouraging group consensus on problem solving.
- Discussing problems to discover causes, and guiding the child or group of children to find ways to resolve it.
- Assigning special tasks and responsibilities that will help to build their self-esteem (for example, special helpers, clean up supervisor, snack helper).
- Reflecting children’s successes and accomplishments.
- The “Thinking About It” area is a place that a child can choose to get away, be alone, or take time out from activities while in view of Y staff. This is also a space where children can think about what happened and what to do next time. The child chooses to leave this space when s/he feels ready to rejoin the activities or talk.
- Discipline or threat of discipline will not be associated with food, rest or toilet training.
- The use of physical punishment is never permitted.
**Behavior Management Policy:**

It is the goal of the YMCA of Greater St. Louis to guide children in becoming caring, honest, responsible, and cooperative participants in our program. The YMCA uses only positive behavior management techniques to increase participant’s self-esteem by helping them to become responsible for their own actions. It is important for participants to grow to respect themselves as well as the rights and feelings of others.

When a conflict arises concerning the rights of other people and/or property, our goal is to work with each participant individually to solve the problem through effective communication and logical consequences. Other behavior management techniques, which include redirecting behavior, removal from a particular activity, and parent consultation, will be used in situations where conflicts continue.

Depending on the severity and frequency of incidents, such as, fighting, inappropriate language, destruction of property, lack of regard for rules, or the possession of inappropriate toys (i.e. play guns, swords, or other weapons), a participant may be suspended or expelled from the program. The following procedures will **(unless severity or repetition of incident requires other action)** be followed concerning suspension and/or expulsion:

1. The participant will be suspended immediately and parents notified.
2. The Program Director will be notified and review the situation.
3. A parent conference will be scheduled with Center/Program Director, Teacher, Parents or Guardian and any other YMCA designated resource person.
4. At the Parent Conference a written Disciplinary Action Plan will be developed. The participant will not re-enter the Program until Parents and staff have agreed upon the Disciplinary Action Plan.

Any participant who is determined at the sole discretion of the YMCA to have intentionally harmed or attempted to harm another participant, staff member or themselves will be immediately suspended from the program and subject to termination from all YMCA programs after review of the incident by the Program Director and Executive Director or designated YMCA supervisor.

**Participants can be removed from the program based upon inappropriate behavior of parent or guardian.**

A parent/guardian will be notified immediately when a child displays any of the above issues. If the parent/guardian cannot be reached, the emergency party designated by the parent/guardian on the enrollment form will be contacted. The child will be isolated from the other children. **Child must be picked up with-in one hour of call.** The late pickup policy will apply at the end of the one hour grace period. Failure to have your child picked up per guidelines will result in immediate dismissal from the program. **Sign-out is required.**

**CAMPER GROUPS/RATIOS**

Campers are placed in groups of 10 to 12 children per counselor. Children are grouped according to age. Groups may also have a C.I.T. (Counselor-In-Training) or Junior Counselor assisting the group. Please note that we will try to have your child with the same counselor if enrolled for more than on week, but do understand that numbers and age groupings may require a change of counselors or groups.
CAMPER T-SHIRTS
Campers must wear their Y T-shirt on field trip days, so we can represent the Y as a group as well as one of our safety components. Camp shirts will be distributed to campers every Thursday (field trip days). Shirts will be washed by Carondelet staff each week, on Fridays and Mondays. Campers will be given a shirt to keep the final week of camp.

CODE OF CONDUCT-ADULT
- The Y requires adults of enrolled children to behave in a manner consistent with courtesy, respect and Y Values. The Y goal is to provide the most appropriate environment in which a child can grow, learn and develop. Achieving this ideal environment is not only the responsibility of the staff, but the responsibility of each and every adult who enters the program. Adults are required to behave in a manner that fosters this ideal environment. Adults who violate the Code of Conduct may be dismissed from the program.
- Swearing/cursing: No adult is permitted to curse or use other inappropriate language at the childcare program, whether in the presence of children or not. Such language is considered offensive and will not be tolerated.
- Threatening of staff, children, or other adults: Threats of any kind will not be tolerated.
- Other children: Adults are prohibited from addressing, for the purpose of correction or discipline, a child that is not their own. Of course, no adult may physically punish another adult’s child. If an adult should witness another adult’s child behaving in an inappropriate manner, or is concerned about behavior reported to them by their own child, it is most appropriate for the adult to direct their concern to the staff.
- Confidentially: It is inappropriate for one adult to seek out another adult to discuss their child’s inappropriate behavior. All behavior concerns should be brought to the staff’s attention. The staff will address the issue with the other adult. Although you may be curious about the outcome of such a discussion, staff is strictly prohibited from discussing anything about another child with you. All children enrolled in Y programs have privacy rights and are further protected by our Confidentiality Policy.
- Violations of safety policy: Adults are required to follow all safety policies at all times. These procedures are designed not as mere inconveniences, but to protect the welfare and best interest of the children and staff.

HEAT/RAINY DAYS/WEATHER RELATED ISSUES
We will still have camp when it is hot or raining! In case of severe weather, we will move the camp (if possible) into the Y building. Refunds cannot be made due to bad weather. The Y camp takes the following precautions in the event of severe heat: water is readily available to children, ongoing sunblock application reminders and activities are modified for the extreme temperatures. If you feel your child’s health does not permit them to go outside, your child is not healthy enough to be at the camp at this time.
