

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

Dear Parent/Guardian,

Thank you for your continued interest in the Gateway Region YMCA Y Club and Camp Programs. Please make sure and indicate all programs that your child will be enrolled in for the next year as these forms are valid for the full year.

You are receiving this packet because you indicated on your Y Club or Camp Enrollment form that your child continues to have an IEP, a Section 504 Student Accommodation Plan and/or Behavior Management Plan, or you indicated on your child's Health History that he/she has been diagnosed with one of the conditions listed. According to our licensing standards, we are **required** to have these additional documents on file, along with some additional information included with this packet.

Please check to make sure that all of these documents are returned to the YMCA branch where your child is enrolled. Please **do not** hand in this paperwork at your child's Y Club/Camp site. These forms are in addition to the forms that you are required to fill out at your local YMCA branch to enroll your child in the program.

The beginning of each new program is always a busy time, so make sure to register EARLY. We process applications on a first come first served basis.

The included forms and IEP, Section 504 Student Accommodation Plan and/or Behavior Management Plan **must** be turned in to the YMCA to be processed prior to starting the program.

BE ADVISED: because of the volume of children we service, it can take up to two weeks to process this paperwork from the time it is turned in.

Once we receive the packet with the supporting documentation, we review it then forward the information to the appropriate program site, where it will be kept appropriately secured according to HIPAA guidelines. Please be advised that this paperwork is to be filled out **annually**. However, the paperwork required of returning participants is very brief.

Thank you again for your interest in our programs. Please be assured that we will make every effort to meet your child's needs. If I can be of further assistance, please contact me at 314-678-0162 or send an email to mwhite@ymcastlouis.org.

Sincerely,

Meghan White
Children's Services Coordinator

Inclusion Services **Returning Participant Checklist**

If your child has been given an IEP, 504 Plan, or Behavior Management Plan we are required to have a copy of it. There are NO exceptions to this requirement!

- We process applications on a first come first serve basis.
- Turning in an incomplete packet will significantly delay your child's participation in our programming.
- Paperwork will not be reviewed until we have all of the following documents.
- Please place a check next to each document you will be turning in.

_____ **Inclusion Services Returning Participant Information Form, including your child's social security number**

(Because of the scope of children we serve, these documents are not diagnosis specific. If a question does not apply to your child please write n/a on that question. We are required to collect your child's social security number by our funders, to ensure services are not being duplicated. Once received these forms are kept confidential in a locked area)

_____ **Complete IEP, Section 504 Student Accommodation Plan and/or Behavior Management Plan**

(IEP's must be turned in annually since they are reviewed and often revised on a yearly basis. If the plan is in the process of being rewritten and you have not received an updated copy yet, please note that below.)

_____ **Information Release Form, Pre-survey, and Checklist**

****Medical Verification will only need to be turned in again if your child's diagnosis has changed.***

Please sign and date this checklist acknowledging that you have turned in all required paperwork. Include this document with the paperwork you are turning in.

What happens next:

- The Inclusion Services Department will evaluate your child's staffing needs based on the paperwork provided. There are three different levels of support offered. After the staffing level is assessed by the Inclusion Services Department, the information will be forwarded onto the branch. The child may be placed on the waiting staff/"shadow" assignment list if there is not staff already in place.

- Parents will be notified with a start date and name of the “shadow” who will be working with the child. Notification will come from the branch Program Director where you are registered for child care/camp.
- If we determine your child **will not** need a “shadow”, no intake conversation will be needed and you will be notified by the branch Program Director where you are registered for childcare/camp.
- While we are constantly in staff recruiting mode, on occasion, an **extended amount of time is required to secure the best match between a child and “shadow” (a minimum of 2-3 weeks)**. **Early registration is tremendously important to allow sufficient time for this step.**

INCLUSION SERVICES INTEGRATED CAMP AND Y Club

Program Purpose for Inclusion Services Department: To ensure inclusion into YMCA childcare and camp programs for children with a diagnosis, through added support staff when needed, and to provide additional training and consultation with existing branch staff.

- Helps to ensure the child’s successful participation in the YMCA programs.
- Assists with the training of support staff.
